

# Prescribed Fire on Private Lands Burn Planning Workshop

Join us on Saturday Dec 2nd to learn about prescribed fire as a tool for wildfire hazard reduction and fuels management! The El Dorado Amador Prescribed Burn Association is hosting a classroom workshop for community members interested in learning about prescribed fire and how to use it safely and effectively on their own lands.

## SATURDAY DECEMBER 2ND, 2023

## 9:00 AM TO 4:00 PM

JACKSON CIVIC CENTER  
33 BROADWAY, JACKSON CA 95642

### Workshop Topics:

- Benefits of prescribed fire
- Permitting and liability
- Unit selection and preparation
- Monitoring fuel/weather conditions
- Components of a burn plan

The El Dorado Amador PBA is committed to educating and supporting landowners in planning safe, legal, and ecologically minded prescribed burns. This workshop will offer an introduction to fire ecology and how to use low-intensity prescribed fire on your own property for cost-effective fuels reduction and maintenance.

**REGISTRATION FEE: \$20 (LUNCH PROVIDED)**

Registration is required. Visit [bit.ly/rxfireintro](https://bit.ly/rxfireintro) or scan this QR code with your camera.
