Livestock-Predator Workshops

Tuesday, June 9 – Jackson, CA

Jackson Civic Center, 33 Broadway #D

Wednesday, June 10 – San Andreas, CA

Board of Supervisors Overflow Room, 891 Mountain Ranch Rd. Bldg. A

6:30pm – 8:30pm

UC Cooperative Extension Central Sierra is hosting two workshops for ranchers who want to learn more about managing livestock in the presence of predators like gray wolves and mountain lions.

Topics will include:

Gray Wolf Ecology and Behavior, Livestock Conflict, and Lessons from Northern California

Dr. Kaggie Orrick, UC Berkeley

Economic Impacts of Gray Wolves / Compensation Programs

Dr. Tina Tate, UC Davis

Mountain Lion Deterrents Research

April Wood, Utah State University

Livestock Guardian Dogs and Other Livestock Protection Tools

Dan Macon, UCCE

Registration is Free, but please RSVP to Dan Macon to ensure we have enough space!
